TO: Hamilton County Drainage Board

RE: Hunters Creek Village Drain,
Cedar Lake Section

Attached is a petition, plans, calculations, Engineers Estimate, non-enforcement and assessment roll for the above mentioned drain.

Although, Cedar Lake will be a separate subdivision, it will drain into the retention area for Hunters Creek Village. It will also have Lots 9 and 10 served by a portion of the sub surface drain from the same subdivision drain. Because of this the drains in Cedar Lake will become part of the Hunters Creek Village Drain.

I have reviewed the petition and have found it to be in proper form. I have also made an on site inspection of the area and all related materials and found the proposed drain to be practicable, will improve the public health , benefit a public highway, be of public utility and that the costs, damages and expenses of the proposed drain will probably be less than the benefits accuring to the owners of land likely to be benefited.

The drain shall consist of the items listed on the Engineers Estimate including approximately 125 feet of swale along the East side of lots 14 & 15. The total lenght of the drain shall be 972 feet. The maintenance cost as shown on the attached assessment roll will add $297.44 per year to the drain fund.

A hearing for this additional drain has be set for June 11, 1984 at 9:25 am.

# FIDELITY AND DEPOSIT COMPANY OF MARYLAND

HOME OFFICE: BALTIMORE, MD.

KNOW ALL MEN BY THESE PRESENTS: That the FIDELITY AND DEPOSIT COMPANY OF MARYLAND, a corporation of the State of Maryland, by C. M. PECOT, JR. , Vice-President, and C. W. ROBBINS Assistant Secretary, in pursuance of authority granted by Article VI, Section 2, of the By-Laws of said Company, which reads as follows:

"The President, or any one of the Executive Vice-Presidents, or any one of the additional Vice-Presidents specially authorized so to do by the Board of Directors or by the Executive Committee, shall have power, by and with the concurrence of the Secretary or any one of the Assistant Secretaries, to appoint Resident Vice-Presidents, Assistant Vice-Presidents, Resident Assistant Secretaries and Attorneys-in-Fact as the business of the Company may require, or to authorize any person or persons to execute on behalf of the Company any bonds, undertakings, recognizances, stipulations, policies, contracts, agreements, deeds, and releases and assignments of judgments, decrees, mortgages and instruments in the nature of mortgages, and also all other instruments and documents which the business of the Company may require, and to affix the seal of the Company thereto."

does hereby nominate, constitute and appoint Jan L. Jacobs, William E. Frick, Jr., Steven E. Wolf and Michael T. McFarren, all of Indianapolis, Indiana, EACH.....

its true and lawful agent and Attorney-in-Fact, to make, execute, seal and deliver, for, and on its behalf as surety, and as its act and deed: any and all bonds and undertakings.....

And the execution of such bonds or undertakings in pursuance of these presents, shall be as binding upon said Company, as fully and amply, to all intents and purposes, as if they had been duly executed and acknowledged by the regularly elected officers of the Company at its office in Baltimore, Md., in their own proper persons. This power of attorney revokes that issued on behalf of Jan L. Jacobs, etal, dated June 22, 1976.

The said Assistant Secretary does hereby certify that the aforegoing is a true copy of Article VI, Section 2, of the By-Laws of said Company, and is now in force

IN WITNESS WHEREOF, the said Vice-President and Assistant Secretary have hereunto subscribed their names and affixed the Corporate Seal of the said FIDELITY AND DEPOSIT COMPANY OF MARYLAND, this 14th day of February, A.D. 19 77

June 7, 1988

TO: Hamilton County Drainage Board

RE: Hunters Creek Village Drain, Cedar Lake, Section 1

I have inspected the drainage facilities for the Hunters Creek Village Drain, Cedar Lakes Section 1 and have found them to be complete and acceptable. The Project Engineer has submitted the Certificate of Completion and Compliance and "As Built" Drawings on reproducable mylar of the drainage system.

One change was made during the construction of this drainage system. Instead of the subsurface Drain (SSD) running across the front of Lots 5,6 and 7 from the curb inlets between Lots 7 and 8, the SSD ran in the rear of Lots 4, 5 and 6 from the inlet in the corner of Lots 1,2,3 and 4. This change increased the SSD length from 160.0 to 310.0 feet. The new length of this section is 1122 feet.

At this time I recommend the Board approve the drainage facilities as constructed.
