Map Correction-Field Verification

Drain Number: 3

Drain Length:

Drain Name: William Lehr

Change + / - : -325

Date: 11-28-2011

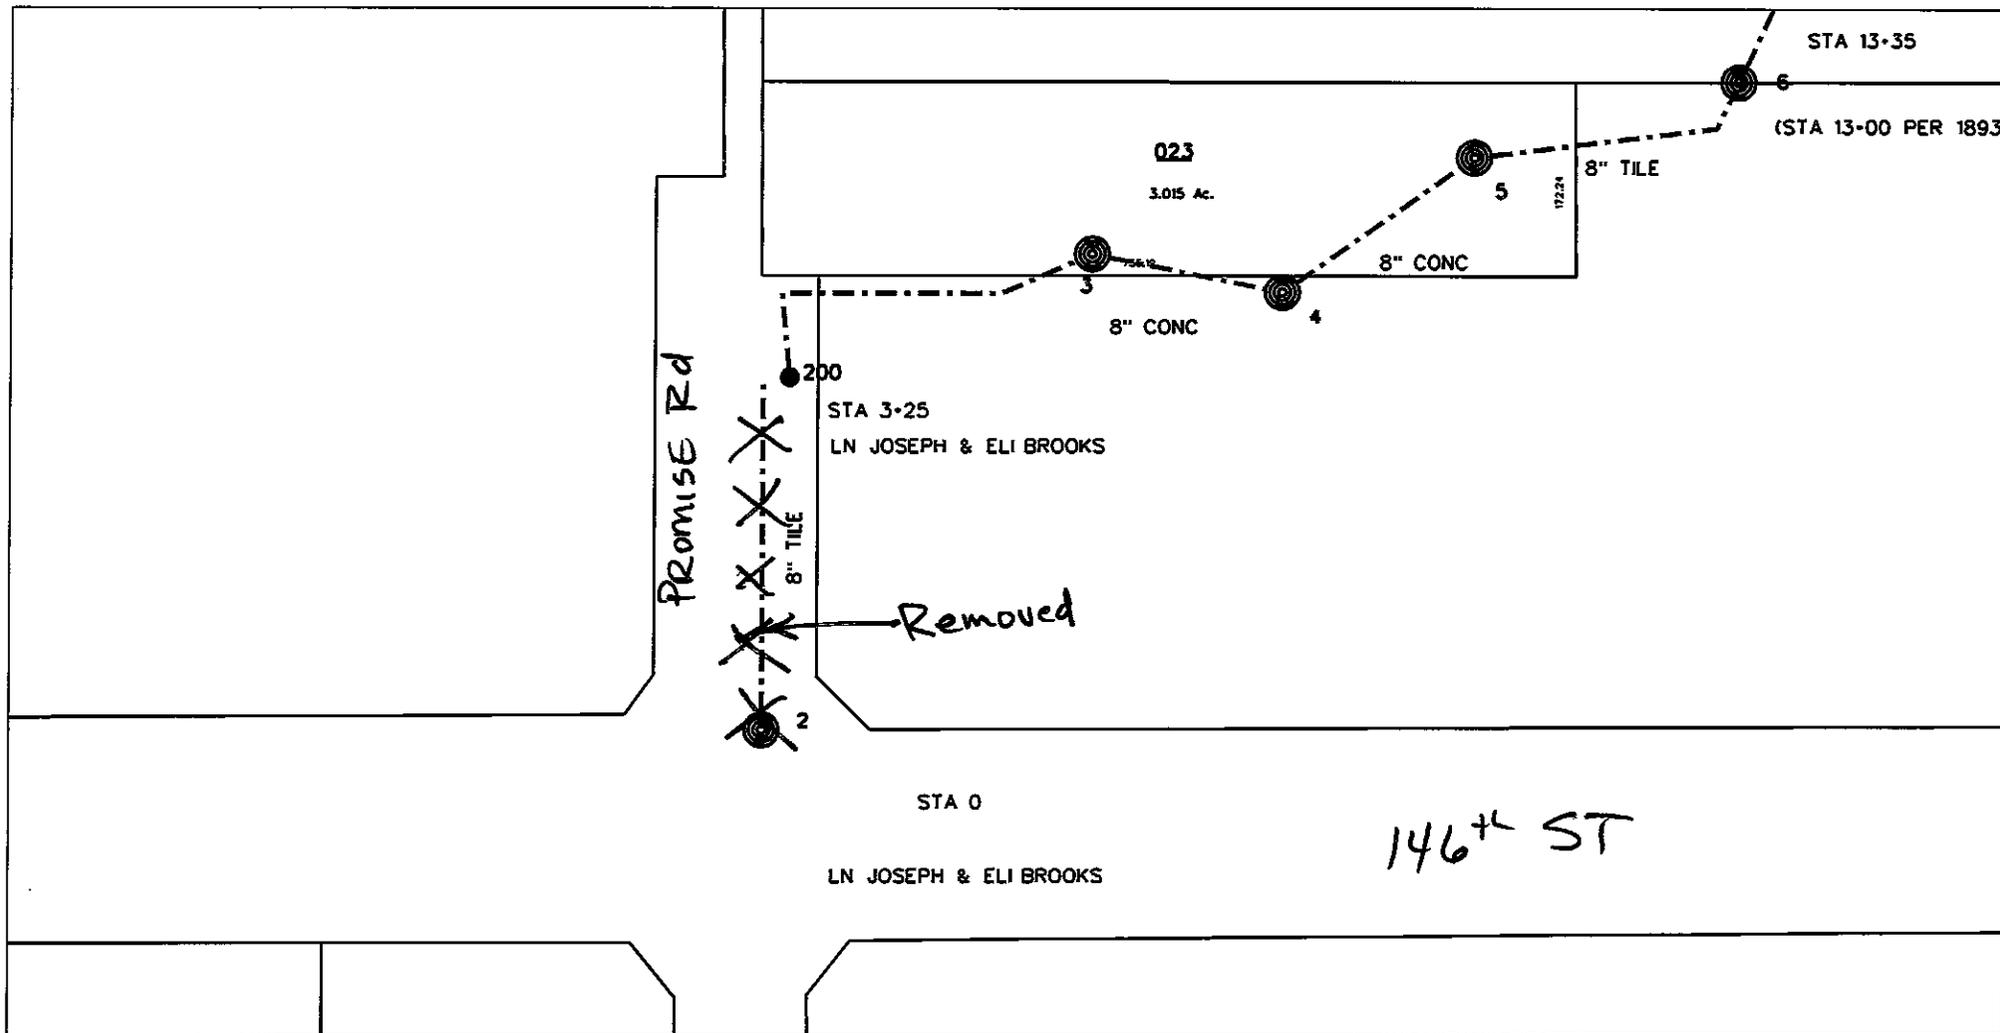

New Length:

Verified By: JLL & SLM

Notes & Sketch:

The 146th Street and Promise Road intersection was redone with the 146th Street widening in 2007. At that time, it was proposed that just 38 feet of existing tile be removed. However, during the actual construction the tile was removed from Station 0 to Station 3+25 where an inlet was set on the existing tile.
