TO: Hamilton County Drainage Board

RE: Timber Heights Drain

Attached is a petition, non-enforcement request, plans, calculations and assessment roll for the Timber Heights Drain.

FILED
NOV 9 1987
HAMILTON COUNTY DRAINAGE BOARD
SECRETARY

I have reviewed the submittals and petition and have found each to be in proper form.

I have made a personal inspection of the land described in the petition. Upon doing so, I believe that the drain is practicable; will improve the public health; benefit a public highway and be of public utility; and that the costs, damages and expenses of the proposed drain will probably be less than the benefits accuring to the owners of land likely to be benefitted. The drain will consists of the following:

6"	SSD	1530 ft	21"	RCP	145 ft
12"	RCP	714 ft	24"	RCP	30 ft
15"	RCP	155 ft	27"	RCP	135 ft
18"	RCP	490 ft	Conc Ditch		140 ft

The total length of the drain will be 3339 feet.

The maintenance of the drain shall include the detetntion Area on Lots 16,17 & 18. The pipe under Timber Heights Drive at Westfield Blvd, shall also be included. The driveway pipe for Lot 27 on Westfield Blvd shall not be included as part of the Regulated Drain.

I have reviewed the plans and believe the drain will benefit each lot equally. Therefore, I recommend each lot be assessed equally. I recommend a maintenance assessment of $30.00 per lot, $5.00 per acre for roadways. With this assessment the total annual assessment for the drain/this section will be $843.00.

The SSD and swale across the Coombs and Elwood properties is included in the regulated drain.

I recommend a hearing be set for November 1987.

Re: **Timber Heights Drain - Sec. 1 Arm**

Attached are as-builts, certificate of completion & compliance, and other information for Timber Heights Sec. 1. An inspection of the drainage facilities for this section has been made and the facilities were found to be complete and acceptable.

During construction of the drain there were not any significant changes made to the drain. Subsequently, there were not any significant changes made to the plans submitted with my report dated September 3, 1987. Therefore, the length of the drain remains at **3,339 feet**.

The non-enforcement was approved by the Board at its meeting on July 24, 1989 and recorded under instrument #8915664.

The bond or letter of credit from Midwest Commerce Banking Company, number 12199, dated August 18, 1987, in the amount of $55,657.00, has expired.

I recommend the Board approve the drains construction as complete and acceptable.

Sincerely,

Kenton C. Ward,
Hamilton County Surveyor
